

Edmodo

Learning Platform

TEACHER

Description

Edmodo is a global education network that helps connect all learners with the people and resources needed to reach their full potential. Edmodo is 100% Google Doc compatible. This will allow the teacher to create a library of online contents and to distribute them on the network easily.

Price:

Free version!

This resource can be helpful for:

- learning disabilities.
- visual impairment.
- hearing impairment.
- all students.

Accessibility grade

- Make learning more accessible
- Simplify communication
- Supporting attention related issues

Practical use

- For a lesson, invite your students to join your Edmodo page. On it, you can share content, offer quizzes and polls.
- Use Edmodo to motivate your students! With a Facebook-like interface, they can exchange and share their documents and information on the wall or in group conversations.

HOW TO USE?

TEACHER

Create an account, create your class, configure your lessons, invite learners and start a conversation.

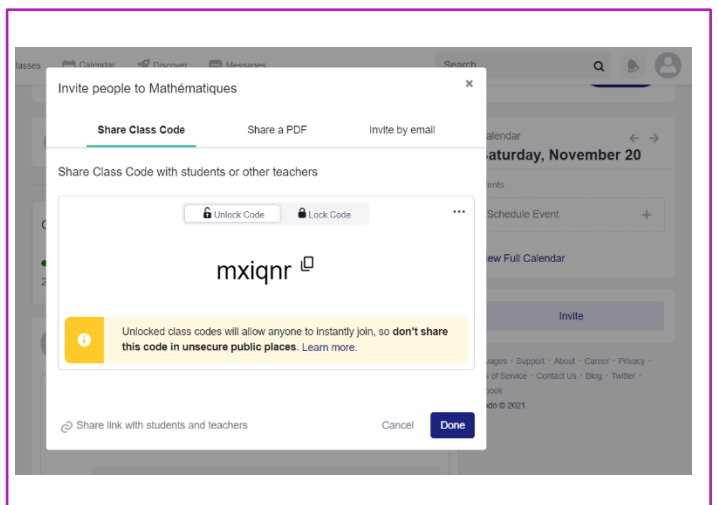

Step 1.

Go to the link:
<https://new.edmodo.com/> .
Then, choose to create a teacher account with your email address.
Finally, indicate the nickname you want to use on the Edmodo platform.

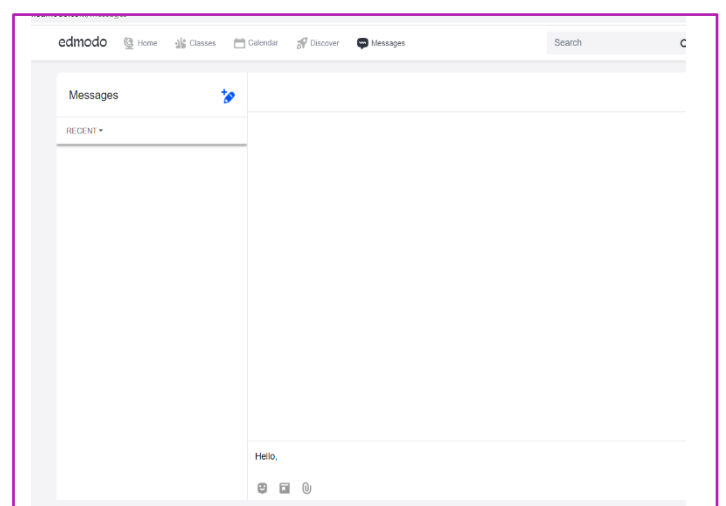

Step 2.

Invite learners by clicking on « invite ». Share the code with learners.
On the wall shared with the students, you can upload content but also propose various exercises: google form, quizzes etc ...

Step 3.

You can create several classes with which you can share specific content.
You can also start conversations with the whole class or only with certain students.
