

# RESEARCH ON THE INTERNET

Refer to PRACTICAL SHEET n°:  
MC33

Use these TOOLBOX resources:  
Hemmingway App

## Teaching computer skills

### How to conduct safe and accurate online research in your classroom

**The teacher requires students to make a research about a European state of their choice and to provide a short report or presentation.**

The research can cover the following topics:

- Its history
- Current and past political status
- Famous People
- Curiosities, oddities and customs

### Useful to students with:

- d/Deafness
- SLDs
- Visual impairment

### Choose your State

# RESEARCH ON THE INTERNET

Reference to PRACTICAL SHEET n°:  
**MC33**

Use these TOOLBOX resources:  
**Hemingway App**

## Teaching computer skills

Follow the guidelines below to check the reliability of information found on the Internet

- AUTHORITY
- PURPOSE
- PUBLICATION AND FORMAT
- RELEVANCE
- DATE OF PUBLICATION
- DOCUMENTATION

After ensuring that all the correct and complete information has been obtained, the student can proceed with the presentation or report

For the development of the presentation or report, the student can verify the presence of grammatical errors using the 'Spelling & Grammar' tool on Word:

Eventually, the Hemingway App is very useful at the drafting stage to give a simple, usable style that is accessible to all:

# Hemingway Editor
